Tree Climb: one of the fun and challenging activities at our Centres.

Our 3 locations all have large areas for indoor rehearsals as well as breakout rooms for sectionals. When the weather is good why not take your music outdoors as the spacious grounds are at your disposal.

Our Centres can accommodate both large and small groups (minimum 12), with comfortable bunk bed accommodation and single rooms for leaders.

Stay from one night or a full week or more. Enhance your groups experience by choosing from a selection of on-site activities such as archery, ropes courses, or zip wires visit with a range of activities\* - an ideal chill-out break from those intensive rehearsals.
