Dear St. Sean, Michael and Broomlee Scapp,
Thank you for ~~looking~~ ^{looking} after us
Broomlee We had such a good
time. I have learnt ^{lots} of
new skills and to help
other people.

The camping was really good
for when we had a try
out the boiler in the bag
food which was really good.
I loved the Marsh Mallows ~~at~~
and we had to build a
shelter.

I loved doing the Shamp line
because we got to go really
deep in mud and we had
to help pull other people out.
And the river rafting was really
fun cause we got to go

Swimming. And I loved the CatWalk
Cause I was really scared of
heights but now we ^{so}
scared. I really enjoyed the three day

Yours Sincerely
Johanie White

24th June 2016

Dear Sean, Michael and other Broomlee Staff,

I am writing to thank you for giving us such a good time this week. I have learnt many things such as listening more carefully to instructions.

The camping was a great adventure with many things that I had not experienced before such as the bolognese and pasta in a bag which was surprisingly good. I thought the walk was really fun and the marshmallows were top notch.

I really enjoyed the raft building and it was very satisfying to save Jeff and jump into the freezing cold water afterwards. The Swamp line was one of the most enjoyable things of the week even though I destroyed my trainers it was definitely worth it. The rat walk was really good because it helped me to conquer my fear of heights.

I really enjoyed all the food especially the pizza. Thank you to Sean for helping me to learn how to put on a helmet properly.
Thanks again for a great week.

Yours Sincerely

Rebekah Watson
