Dear Will,

Thank you for being my instructor at camp. I really enjoyed having you. A few of my favourite experiences of camp are when I was doing the high tree climb. I didn't think I could go any higher than the first few steps but everyone was encouraging me on and then I got to the top! I was so surprised. Another one is when I had just got up to the top of the flying fox and jumped off and I felt I wasn't harnessed on. It was terrifying!

A couple of funny experiences was when I was going to someone else's dorm and I tripped over and I had my camera in my hand and it took a picture of me falling. It was hilarious. Another one is when I felt amazing that I had got to the top of the pole climb and fell off. It was so funny. I would definitely come back to Broomlee it was an unforgettable experience. I really loved having you as an instructor. You were always smiling and you

Dear Will

Thanks for making camp a great experience. The activities were so much fun especially the pole climb and flying fox. Camp was good for making friends and you really helped us with that. I think the contract was a great idea and we achieved most of the rules.

As I said before, I loved the flying fox and pole climb. They were so high and exciting. I felt really nervous about the pole climb but I desperately wanted to get to the top. Lucy took a picture of me at the top, touching the ball. When your on the platform you wobble and shake. It was a great experience.

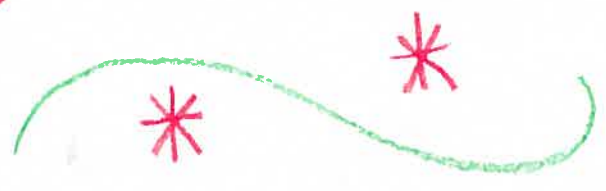

The flying fox was brilliant aswell. All of my new friends were cheering me on and I took a run up and jumped. I felt like I was actually flying.

The dinners were great and I loved all of the cake! The dinner ladies were very nice too. I recommend this camp to other schools because it is **FANTASTIC**

Thanks!

From Anna, 7B Broxburn Primary!

P.S.: Say Hi to Scott too!

Dear Will

Thank you for making camp so interesting for me and my Group. I really enjoyed the Activities. Such as the night Line, Pole Climb and the Big tree Climb

You were really good at encouraging us when we were doing the Activities. I also really enjoyed the Problem Solving Challenges like the Spider web, the wall that you set of us.

Once again thank you so much for making camp enjoyable and Unforgettable. The activities were the greatest thing I did a camp.

Your Sincerely

Dear will

Thank you for making camp so exciting. You pushed me to do everything that I didn't want to do. I would never have tried most of the things that we done. Especially the crate climb. That was so scary.

My favourite thing was the pole climb even though. Even though I didn't think it was safe. But it totally was 100 percent safe.

1 thing I would like to change is the flying fox. I would have put it higher up.

Yours sincerely

Dear Will

Thank you for making camp so fun and exciting. I had a great time. So did most of my friends.

My favourite activities were the tree climb because I got to the top of the biggest tree, pole climb because it was easy and the flying fox because you went quite fast but I would have liked it better if it was even faster.

In fifth year I would love to help. I hope you had a great time too.

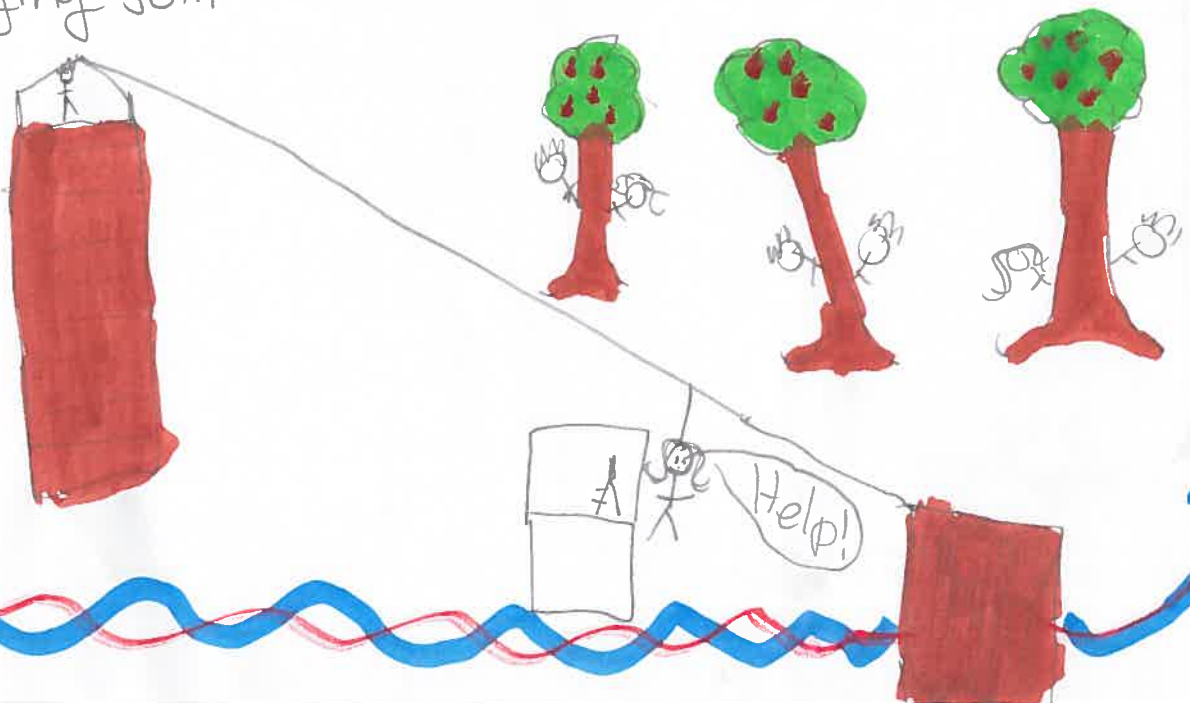

Yours Sincerely

Dear Anthony  
Thank you for making camp awesome! I had a great time with you as my instructor! You were really encouraging and I wouldn't have got to the top of the tree to climb without your help.

My favourite activity was the flying fox because your team helps you down. The nature walk was also really good and I loved playing pool rafts. But one of my favourite things was the killing game even though I was out on the first day.

The meals were also very good and I especially liked the stew on Thursday. It was also very funny when we left the high school teacher dangling on the flying fox!

Dear Ant,

I am just writing a little letter to say thank you for the wonderful experience at Broomlee. I can remember all the activities and I enjoyed them all.

My favourite activity was the pole climb because I reached the top and jumped off. You also encouraged me.

I think Broomlee could improve on meal times because we were not allowed to get out of our seats and we had to clean the table.

Your Sincerely
