Dear Broom lee staff

I am writing to thank you for a wonderful time at Broomlee

At the dorms we had all the girls from my class. I was in an 8 room. I really enjoyed some of the activities. Apart from the night line because I don't like being blindfolded. The food was great, my favourite meal was the chicken burger. The funniest meal was when Murrion had to sing happy and you know it. My favourite activity was the tree climb my instructor was Chris. Chris is very nice.

I thought that the dinner ladies were very nice and so was the food . I especially liked the lentil soup. For are tutors we had Caleb and Adam. Adam had all these funny but not funny jokes. They also helped us a lot with are activities.

Dear Broomlee staff,

I am writing this letter to say thank you for having me at Broomlee, I appreciate it.

I really enjoyed all the activities I took part in, but my favourite activity was the catwalk. I really enjoyed doing it; I was very pleased because I managed to get onto the pole and across it. Then we were going for our meals the funniest part was when Murrion had to stand on a chair in front of everyone at lunch and sing if you're happy and you know it, she was crying with laughter. I liked who I was in a dorm with and we all had good laughs but we were all up late. I would also like to thank Kevin for helping us with the activities.

Thanks for having us I had an awesome time despite the weather.

You're sincerely,

Dear Broomlee staff,

I am writing this letter to say thank you for a brilliant week away, I enjoyed it and I would be more than happy to visit again.

My favourite thing was the inclimb log, the reason I enjoyed it so much was because Stuart kept falling into Sara and I, and he kept putting his bum in my face. I couldn't stop laughing at him it was really funny. I also would like to thank the dinner ladies, their meals were very nice and it would be hard to pick a favourite. I really liked my two tutors Neil and McGregor they were very funny and I would like to thank them for letting me sing my little song(happy and you know it.) I liked everybody in my group and best of all I made new friends.

Thanks again, I really enjoyed my week.

Dear Broomlee Staff

I am writing to tell you I had a great time I liked the activities they were so fun I liked all of the activities equally the same but my favourite is the pole climb it was funny when murrong sang in front of everybody in the cafeteria. I really really enjoyed the food so a warm thank you to the catering team.

My leader was Patrick he was great because he helped everybody in his group. He didn't make anybody do what they didn't want to do he helped people do the rope course and the Mohawk walk when it was also funny when we were above the tyres and they were full of mud and I didn't want to fall in them. So I jumped sideways and banged my head on the ground luckily I had a helmet on.

Thank you again

Yours sincerely

Sara.

Dear Broomlee Staff,

I am writing to you to say thank you for a wonderful week.

I really liked the dorm I was in which I think made my stay better. My favourite activity was the Mohawk walk and the inclined log. The food was really nice and the best meal was the roast beef and Yorkshire pudding. I liked my instructor Chris because he never really got cross with us. I think I did all the activities except the high up ones like the pole climb and the tree climb. The activity I didn't like was the nightline because we had to crawl in mud.

Thanks again for the amazing week!

The reason why I am writing this letter is to say thank you for taking our activities and encouraging us to go higher on things like the tree climb and pole climb.

My favourite activity was the catwalk because it was really fun and I liked climbing up the tree a walking across the log and then walking backwards and jumping off. I also liked the tree climb because bit was fun and challenging and the flying fox because it was fun jumping off the top.

So thank you very much because I thoroughly enjoyed my time at Broomlee and if I had the chance I would go there again.

Dear Josef,

Thank you so much for all the fun we had at Broomlee it was great and we had loads of fun. You encouraged us when we did the pole climb, tree climb and all the other really high up activities. I really enjoyed it when we went sledging with group one and played camouflage but we didn't like the long walk. When we left we left bob (the snowball) by our dorm to slowly melt away but we still have his hair for memories and to make a new bob when we get some snow. Our favourite activity was the flying fox and we really enjoyed the meals there as well. Thanks for a great time and we would definitely come back again.

Yours sincerely,

Emma and Rachael (from Iain's group)
